BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Board Member Attendance at Board Meetings (Board Policy)

Being a Member of the Board is a serious commitment of time and effort to the governor, and the people of the State of California. Board Members shall attend a minimum of 75% of all scheduled committee meetings and scheduled Board meetings. In extraordinary circumstances, the Chair may excuse a Board Member from this obligation. If a Member is unable to attend a Board Meeting, he or she must contact the Board Chair or the Executive Officer, and provide a verbal notice followed by a written explanation of their absence as soon as possible thereafter.

Public Attendance at Board Meetings (Government Code Section 11120 et seq.)

Meetings are subject to all provisions of the Bagley-Keene Open Meeting Act. This Act governs meetings of the state regulatory Boards and meetings of committees of those Boards where the committee consists of more than two Members. It specifies meeting notice, agenda requirements, and prohibits discussing or taking action on matters not included on the agenda. If the agenda contains matters which are appropriate for closed session, the agenda shall cite the particular statutory section and subdivision authorizing the closed session.

Agenda Items (Board Policy)

Board Members may submit agenda items for a future Board meeting during the "Future Agenda Items" section of a Board meeting or directly to Executive Officer 21 days prior to a Board meeting

Agenda item requests shall be placed on the Board or Committee meeting agenda within two meetings from receipt of the original request.

In the event of a conflict in scheduling an agenda topic, the Board Secretary will discuss the proposed agenda item with the Board Chair, and the Board Chair shall make the final decision to schedule the item at the upcoming or following Board Meeting. The Board Secretary will work with the Executive Officer to finalize the agenda.

Notice of Meetings (Government Code Section 11120 et seq.)

Meeting notices, including agendas, for Board meetings will be sent to persons on the Board's mailing list at least 10 calendar days in advance, as specified in the Bagley-Keene Open Meeting Act. E-Mail Ballots (Government Code Section 11526 and Board Policy)

The Board must approve any proposed decision or stipulation before the formal discipline becomes final and the penalty can take effect.

Proposed stipulations and decisions are e-mailed to each Board Member for his or her vote. For stipulations, a background memorandum from the assigned deputy attorney general accompanies the e-mail ballot. A two-week deadline generally is given for the e-mail ballots for stipulations and proposed decisions to be completed and returned to the Board's office.

Holding Disciplinary Cases for Board Meetings (Board Policy)

When voting on e-mail ballots for proposed disciplinary decisions or stipulations, a Board Member may wish to discuss a particular aspect of the decision or stipulation before voting. If this is the case, the ballot must be marked "hold for discussion," and the reason for the hold must be provided on the mail e-ballot. This allows staff the opportunity to prepare information being requested.

If one vote is cast to hold a case for discussion, the case is set aside and not processed (even if four votes have been cast on a decision). Instead the case is scheduled for a discussion during a closed session at the next Board meeting.

If the matter is held for discussion, staff counsel will preside over the closed session to assure compliance with the Administrative Procedure Act and Open Meeting Act.

If the Board Member is comfortable voting on the matter, but wishes to discuss the policy behind the decision or case, the ballot should be marked "Policy Issue for Discussion. I have voted above. Issue: _____." The Executive Officer will respond directly to the Member. If still unresolved or if the matter is to be referred to the Board, the policy issue will be placed on the agenda for discussion at the next Enforcement Committee Meeting.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Any time a Member votes to "hold for discussion" the Chair, EO and Legal Counsel will discuss the Member's concern(s) for educational purposes and to evaluate if any administrative policy modifications should be proposed.

Meeting Rules (Board Policy)

The Board will use Robert's Rules of Order, to the extent that it does not conflict with state law (e.g., Bagley-Keene Open Meeting Act or other state laws or regulations), as a guide when conducting the meetings. Questions of order are clarified by the Board's legal counsel.

Public Comment (Board Policy)

Public comment is always encouraged and allowed, however, if time constraints mandate, time limits may be imposed at the discretion of the Chair. Due to the need for the Board to maintain fairness and neutrality when performing its adjudicative function, the Board shall not receive any information from a member of the public regarding matters that are currently

 - b. Where the allegation involves significant staff misconduct, the Board shall direct the Executive Officer to review the allegation and to report back to the Board.
3. The Board may deny a person the right to address the Board and have the person removed if such person becomes disruptive at the Board meeting. The Board accepts the conditions established in the Bagley-Keene Open Meeting Act and appreciates that at times the public may disapprove, reprimand, or otherwise present an emotional presentation to the Board, and it is the Board's duty and obligation to allow that public comment, as provided by law.

Comments from Chiropractic Colleges and Associations (Board Policy)

Board Members will be reimbursed for actual lodging expenses, supported by vouchers, and will be reimbursed for meal and supplemental expenses. Keep all original receipts and submit with your travel expense claim.

Rules governing reimbursement of travel expenses for Board Members are the same as for management-level state staff. All expenses shall be claimed on the appropriate travel expense claim forms. The Board Liaison maintains these forms and completes them as needed.

The Executive Officer's travel and per diem reimbursement claims shall be submitted to the Board Chair for approval.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

It is advisable for Board Members to submit their travel expense forms immediately after returning from a trip and not later than thirty days following the trip.

No Board Member may make, participate in making, or in any way attempt to use his or her official position to influence a governmental decision in which he or she knows or has reason to know he or she has a financial interest.

Any Board Member who has a financial interest shall disqualify him or herself from making or attempting to use his or her official position to influence the decision.

Any Board Member who feels he or she is entering into a situation where there is a potential for a conflict of interest should immediately consult the Executive Officer or the Board's legal counsel.

Contact with Licensees and Applicants (Board Policy)

Board Members shall not intervene on behalf of a licensee or applicant for licensure for any reason. They should forward all correspondence, contacts or inquiries to the Executive Officer.

Contact with Respondents (Board Policy)

Board Members should not directly participate in complaint handling and resolution or investigations. To do so would subject the Board Member to disqualification in any future disciplinary action against the licensee.

Board Members should not discuss pending disciplinary matters with any parties to such matters, including the respondent, his/her attorney, BCE enforcement staff, and DAGs. If a Board Member is contacted by a party to a disciplinary matter, the Board Member should refer the individual to the

Request for Grants (Board Policy)

All requests for funding allocations to Board specific projects shall be approved by the Board during a regularly scheduled meeting.

Any requests for grants outside of Board business or projects must be made by the Executive Officer at the Chair's direction. If a Board Member makes an individual request, a copy of the request shall be forwarded to the Executive Officer as soon as possible.

The mechanism for receipt, management, and dispersal of funds shall be pre-arranged and approved by the Board.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Gifts from Licensees and Applicants (Board Policy)

Gifts of any kind create potential obligations or conflicts of interest and should therefore be declined or reported pursuant to the California Political Reform Act.

Ex Parte Communications (Government Code Section 11430.10 et seq.)

The Government Code contains provisions prohibiting ex parte communications. An "ex parte" communication is a communication to the decision-maker made by one party to an enforcement action without participation by the other party. While there are specified exceptions to the general prohibition, the key provision is found in subdivision (a) of section 11430.10, which states:

"While the proceeding is pending, there shall be no communication, direct or indirect, regarding any issue in the proceeding to the presiding officer from an employee or representative of an agency that is a party or from an interested person outside the agency, without notice and an opportunity for all parties to participate in the communication."

Board Members are prohibited from an ex parte communication with Board enforcement staff, a licensee or a respondent while a proceeding is pending.

Occasionally, an applicant who is being formally denied licensure, or a licensee against whom disciplinary action is being taken, will attempt to directly contact Board Members. If the communication is written, the person should read only far enough to determine the nature of the communication. Once he or she realizes it is from a person against whom an action is pending, they should reseal the documents and send them to the Executive Officer.

If a Board Member receives a telephone call from an applicant under any circumstances or licensee against whom an action is pending, he or she should immediately tell the person they cannot speak to them about the matter and inform the Executive Officer and the Board's legal counsel.

If the person insists on discussing the case, he or she should be told that the Board Member will be required to recuse him or herself from any participation in the matter. Therefore, continued discussion is of no benefit to the applicant or licensee.

If a Board Member believes that he or she has received an unlawful ex parte communication, he or she should contact the Executive Officer and the Board's legal counsel.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

The Honoraria Prohibition

(Government Code Section 89503)

(FPPC Regulations, Title 2, Division 6)

As a general rule, Members of the Board should decline honoraria for speaking at, or otherwise participating in, professional association conferences and meetings. A Member of a state Board is precluded from accepting an honorarium from any source, if the Member would be required to report the receipt of income or gifts from that source on his or her statement of economic interest.

Board Members are required to report income from, among other entities, professional associations and continuing education providers. Therefore, a Board Member should decline all offers for honoraria for speaking or appearing before such entities.

There are limited exceptions to the honoraria prohibition. The acceptance of an honorarium is not prohibited under the following circumstances:

(1) when a honorarium is returned to the donor (unused) within 30 days; (2) when an honorarium is delivered to the State Controller within thirty days for donation to the General Fund (for which a tax deduction is not claimed); and (3) when an honorarium is not delivered to the Board Member, but is donated directly to a bona fide charitable, educational, civic, religious, or similar tax exempt, non-profit organization.

In light of this prohibition, Members should report all offers of honoraria to the Board Chair so that he or she, in consultation with the Executive Officer and staff counsel, may determine whether the potential for conflict of interest exists.

Board Member Orientation

(Business & Professions Code Section 453 and Board Policy)

B&P Section 453 requires every newly appointed Board Member, within one year of assuming office, to complete a training and orientation program offered by DCA regarding, among other things, his or her functions, responsibilities, and obligations as a Member of a Board.

It is the BCE's policy that new Board Members shall, to the extent possible complete the orientation training within six months of assuming office. Additional training shall be provided at the request of the Board or individual Board Members.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Ethics Training

(Government Code Section 11146)

California law requires all appointees to take an ethics orientation within the first six months of their appointment and to repeat this ethics orientation every two years throughout their term.

Sexual Harassment Prevention Training

(Government Code Section 12950.1)

Board Members are required to undergo sexual harassment prevention training and education once every two years. Staff will coordinate the training.

Injury to a Board Member

(Labor Code Section 4600)

If you are or believe you may have been injured, notify the Executive Officer. Injuries are required to be reported and this assists the Executive Officer in remaining compliant with the Labor Code Rules and Regulations. The reported injury will be reviewed by State Compensation Insurance Fund. They have the option to either accept or deny that claim. If the claim is denied, and you believe you have a legitimate claim, you should consult with an attorney. If the claim of injury is accepted by the insurance carrier, then treatment is provided in accordance with the California Labor Code (L.C.). Specifically: L.C. 4600(a) Medical, surgical, chiropractic, acupuncture, and hospital treatment, including nursing, medicines, medical and surgical supplies, crutches, and apparatuses, including orthotic and prosthetic devices and services, that is reasonably required to cure or relieve the injured worker from the effects of his or her injury shall be provided by the employer.

MEMORANDUM

DATE:	December 21, 2014
TO:	Executive Officers/Bureau Chiefs/Division Chiefs Department of Consumer Affairs
FROM:	Awet Kidane, Director Department of Consumer Affairs 
SUBJECT:	2014 Legislation Impacting All Department of Consumer Affairs Licensing Programs

In order to assist with compliance, the Department of Consumer Affairs (Department) is notifying each of its programs about legislation passed this year that will have broad impact across all programs. This memorandum outlines these new laws and what is required. Unless otherwise stated, every bill takes effect on January 1, 2015. If you have questions or concerns regarding any of the information provided in this memo, please contact Justin Paddock, the Assistant Deputy Director for Legislation at (916) 574-7800 or justin.paddock@dca.ca.gov. You may also wish to contact your legal counsel as well.

AB 809 (Logue, Chapter 404) – Patient Consent for Telehealth Services

This bill revises the patient consent provisions related to the use of telehealth services by health care providers. The bill allows written consent in addition to verbal consent and specifies that the consent is valid for a designated course of health care and treatment. This bill took effect September 18, 2014.

This bill impacts healing arts programs **ONLY**. Each healing arts program may wish to provide outreach to its licensees regarding the changes and how this legislation may alter the regulation of telehealth by the program.

AB 1702 (Maienschein, Chapter 410) – Denying or Delaying Licensure Due to Incarceration

This bill prohibits programs within the Department from denying a license or delaying the processing of licenses based solely on any licensure requirements having been completed during an applicant's incarceration.

Programs should review their licensing procedures to ensure that the processing of applications is not delayed due solely to licensure requirements being fulfilled during incarceration. Additionally, program regulations should be reviewed to identify any conflicting rules that may need to be revised.

AB 1711 (Cooley, Chapter 779) – Administrative Procedures Act: Economic Impact Assessment

This bill requires state agencies to include an economic impact assessment in its published initial statement of reasons document for all proposed regulations. The bill also requires the Department of Finance to provide, and periodically update, instructions on how to prepare the economic impact assessment, which will be placed in the State Administrative Manual.

The Department's regulatory process already incorporates these requirements and therefore, there should be no implementation impact from this bill.

AB 2396 (Bonta, Chapter 737) – Denial of Licensure Based on Expunged Convictions

This bill prohibits a licensing authority under the Department from denying a license based solely on a prior conviction if the conviction has been dismissed pursuant to Penal Code expungement procedures.

The Department's Legal Division is providing guidance to all the licensing programs regarding implementation of this legislation. If you have any questions or concerns, please contact your legal counsel.

AB 2720 (Ting, Chapter 510) – Record of Action Taken at Public Meetings

This bill amends the Bagley-Keene Open Meeting Act to require all state bodies, including all licensing programs within the Department, to keep a record of, and publicly report, every vote and abstention of each voting member on every action taken by a board, committee, or commission.

The Department's Legal Office will include guidance on complying with this law in its annual memorandum on the Open Meeting Act, which will be issued in January. At a minimum, each program should review its procedures for taking votes, recording them, and memorializing them in meeting minutes to ensure transparency.

SB 1159 (Lara, Chapter 752) – Use of ITINs on Licensure Applications

This bill requires all programs within the Department to accept an individual taxpayer identification number (ITIN) from applicants in lieu of a social security number (SSN) and explicitly directs the Department's licensing programs to issue licenses to individuals qualified for licensure but are not legally present in the United States. All programs must implement this bill no later than January 1, 2016. However, a program cannot begin accepting these numbers prior to January 1, 2015.

The Department's Office of Information Services (OIS) is working on incorporating the necessary changes into BrEZe and legacy systems to ensure full implementation of this bill takes place no later than January 1, 2016. The Department will provide additional guidance on implementation efforts in January 2015. We are asking programs to not begin accepting ITINs from applicants until this additional guidance is given.

SB 1226 (Correa, Chapter 657) – Expediting Applicants from the Military

This bill requires programs under the Department to expedite the licensure process for individuals honorably discharged from the United States Armed Forces. This bill also allows a program to assist the licensure process for these individuals. This bill is operative July 1, 2016. Programs will need regulations to specify what documentation is needed to qualify for the expedited licensure process. If you have questions regarding regulations, please contact your legal counsel.

The expedited licensure process under this bill should be similar to what each program has done to implement the expedited licensure process for military spouses under AB 1904 (Block, Chapter 399, Statutes of 2012). OIS will be working to implement SB 1226 in BreEZe. Due to resource limitations, there are no plans to change the legacy systems to implement SB 1226. Programs not on BreEZe should utilize a manual process for expediting military applicants.

Regarding the assistance to honorably discharged military applicants, this is permissive not mandatory for each program. While permissive, we encourage each program to review how it currently licenses military applicants and determine where, if any, improvements can be made. Some Department programs, the Bureau of Security and Investigative Services (BSIS) and the Contractors' State License Board (CSLB), currently reach out and make staff available to military applicants during the licensure process. If your program tends to have a high volume or percentage of military applicants and is interested in implementing a military assistance program, we suggest your program review the assistance that BSIS and CSLB currently provide to military applicants.

CSLB: Military Application Assistance Programs

SB 1243 (Lieu, Chapter 395) – Department-Wide Reforms

This bill makes a number of changes to program authority and requirements:

- It allows a program to provide a meeting notice by regular mail, email, or by both. The program must give each person who requests a notice the option of receiving the notice by regular mail, email, or by both.
- It requires that any program that intends to webcast a meeting, to indicate on the meeting notice that it will be webcasted.
- It extends current telephone disconnect authority from specific Department programs to all programs.
- It requires the Department to annually report additional enforcement statistics to the Legislature.

If you have any questions regarding implementing a telephone disconnect program, you should contact your legal counsel.

SB 1256 (Mitchell, Chapter 256) – Third Party Medical Creditors

This bill requires all healing arts licensees to present patients with a specified notice and treatment plan that includes estimated costs and items to be pre-paid prior to facilitating a third-party line of credit for payment of medical expenses. The bill also forbids the arrangement of such a credit plan with a patient that is under the influence of anesthesia.

This bill also impacts healing arts programs ONLY. Each healing arts program may wish to contact its legal counsel for assistance regarding enforcing these new requirements as well as provide outreach to its licensees regarding the changes.
